Linkedin Profile

EDUCATION

- Matric
  Govt. High School, Pahrianwali - 2017
- ICS Physics
  Punjab College Phalia - 2019
- BS Software Engineering
  Comsats University, Lahore - 2025

SKILLS

- **Frontend:**
  HTML5, CSS3, Tailwind CSS, Bootstrap
- **Frameworks**
  React JS, Next Js
- **Languages**
  JavaScript, TypeScript
- **Backend & DB**
  Firebase
- **Tools**
  Git, Github, Figma, PhotoShop

HOBBIES

- Music
- Light Exercise
- Bedminton

PROFILE

Frontend-focused Software Engineering graduate with hands-on experience building responsive, accessible user interfaces using HTML, CSS, JavaScript, and React. Currently working as a Frontend Intern, contributing to real-world projects, converting UI designs into functional components, and improving layout, responsiveness, and usability across browsers.

WORK EXPERIENCE

IT Intern – STORM-FIBER
June 15, 2025 – Dec 21, 2025

- Assisted with system setup, hardware/software troubleshooting, and basic networking tasks
- Supported technical teams in resolving customer connectivity issues
- Maintained IT documentation and system records
- Gained practical exposure to IT infrastructure and support processes

Front-End Intern – GtechSources
Dec 22, 2025 – Present

- Developed responsive UI components using HTML, CSS, JavaScript, and React
- Converted Figma designs into functional and reusable frontend components
- Fixed layout, styling, and cross-browser compatibility issues
- Collaborated with team members following professional development workflows and coding standards

RECENT PROJECTS

University Portal

Next.js • TypeScript • Firebase • Tailwind

- Built a role-based university management dashboard (Admin/Student/Teacher)
- Implemented authentication and Firestore data integration
- Designed responsive UI for attendance and course management modules
- Access: Live - GitHub

Quiz Application

React • Tailwind • Firebase

- Developed dynamic quiz interface with state-based score calculation
- Integrated Firebase for structured data handling
- Access: Live - GitHub

E-Commerce Product Page

React

- Built responsive product layout with reusable components
- Implemented conditional rendering and structured props handling
- Access: Live - GitHub
